

Allan,

Sherri and I just wanted to Thank You for all of your professional help. It was a pleasure working with you and your team for the search of our CDM Beach property.

It really helped having a Realtor with local neighborhood knowledge and decades of experience in the local market. As it turned out we purchased a property in the first neighborhood you showed us. Almost like you read our minds.

You were always there *every step of the way* and answered all of our questions via email or phone immediately.

Thanks again for making our property search a very pleasant experience and feel free to use us as a reference .

A client for Life
